## EDUCATION

Year: 1985  
Degree: Electrical Engineering Expert .  
University: Universidad de la República  
Country: Uruguay

## WORK

- From 2016 until now.  
Company: CIEA  
Position: Director.  
Work: market development, technical direction.
- From 2013 to 2014  
Company: CAHORS Latinoamérica.  
Position: General Manager.  
Work: General management, CAHORS products commercialization, Latin America market development.
- From 2001 to 2013  
Company: URUTRANSFOR S.A  
Position: Industrial Manager  
Work: General management, material and production planning and control, technical department management, engineering, testing laboratory.
- From 1999 to 2001  
Company: INGENER S.A.  
Position: Technical Coordinator  
Work: technical and operational coordination, technical development.
- From 1997 to 1999  
Company: MAK S.A.  
Position: Industrial Vice Manager  
Work: material and production planning and control, technical department management, engineering, testing laboratory.

- From 1996 to 1997  
Company: MAK S.A.  
Position: Technical Manager  
Work: planning, design control, materials and accessories specification, quality control, testing laboratory.
- From 1995 to 1996  
Company: MAK S.A.  
Position: Facility Manager  
Work: materials, process and final product quality control, insulating material research, implementation of quality assurance standards.
- From 1993 to 1995  
Company: MAK S.A.  
Position: Quality Control Manager  
Work: materials, process and final product quality control, insulating material research, implementation of quality assurance standards.
- From 1991 to 1993  
Company: MAK S.A.  
Position: Production Manager  
Work: Production planning and control, human resources and materials.
- From 1988 to 1990  
Company: MAK S.A.  
Position: Technical Department Manager  
Work: drawings design and construction, materials specification.
- From 1986 to 1988  
Company: MAK S.A.  
Position: Laboratory Manager  
Work: process and final product quality control, new products development.
- From 1982 to 1986  
Company: UTE  
Position: Engineering Expert 1st Category.  
Work: medium and high voltage testing, research.

- From 1980 to 1982  
Company: Fierro Vignoli S.A.  
Position: Sales assistant  
Work: technical support and training.
- From 1977 to 1980  
Company: Fierro Vignoli S.A.  
Position: Technical office  
Work: technical sales.

## ADDITIONAL EDUCATION

- 2016  
Dielectric design of power transformers.  
CIEA, Uruguay.
- 1995  
Quality expert.  
UNIT, Uruguay.
- 1994  
Application of special statistical techniques for process optimization.  
IDITEC, Uruguay.
- 1991  
Production planning and control.  
IDEAS, Uruguay.
- 1990  
Electromagnetic interference suppression methods.  
IEEE, Uruguay.
- 1986  
Impulse testing and related topics.  
UTE, Uruguay.
- 1985  
Quality control I.  
UNIT, Uruguay.
